This Special Alert from the California Student Aid Commission (Commission) provides an update on the 2023-24 Race to Submit campaign.

- The Commission has received the October 2022 certified census enrollment counts from the California Department of Education and the [Race to Submit Dashboard](#) rankings have been updated with this data.
- As announced on [GSA 2023-18](#), the Race to Submit Campaign has continued to track FAFSA/CADAA submissions through the end of the school year (June 30th) and created a new dashboard.
- The Race to Submit Dashboard tracked submissions of Grade Point Averages (GPAs) and completion rates of FAFSA/CADAA applications for the class of 2023.

June 30th: Race to Submit Winners

- Final numbers for the June 30th competition have been determined.
- Winners represent the Top 3 high schools across 8 levels (based on enrollment) with the highest percentage of completed FAFSA/CADAA's and matching GPAs through the June 30th deadline. See the accompanying enclosure for the list of winners.
- The top 3 schools of each level will be recognized at the 2023 California Affordability Summit to be held in November 7-8, 2023. Additional information will be provided later once details have been finalized.
