## Press Statement

Today, the California Student Aid Commission waived the attorney-client privilege and released a California Attorney General's Memorandum upon which the Commission relies in refusing to pay for over \$6 million in expenses incurred by EdFund, the Commission's nonprofit auxiliary organization. The expenses are related to inducements prohibited under federal law. A copy of the memorandum is available at <http://www.csac.ca.gov/comm/comm/09040508/tab1.pdf>. Please contact Cheryl Lenz at (916) 718-5983.
