SUBJECT: **California Cash for College Workshop Registration Begins**

---

This Operations Memo from the California Student Aid Commission (Commission) announces the open registration for the California Cash for College (CCFC) workshop season through the [Workshop Management System \(WMS\)](#). Statewide CCFC workshops provide free hands-on assistance to students and their family members to complete the FAFSA, CADAA and Chafee Grant for Foster Youth applications.

### **Become an Approved CCFC Partner**

To become an approved partner organization and host a CCFC workshop, you must register an account through [WMS](#) and schedule a CCFC workshop. This past season, CCFC partners hosted 1,088 workshops, which led to a 17% increase in workshop attendance.

- Students will be able to search for workshops to attend as soon as they are scheduled in WMS. Therefore, do not wait to register your organization and request a workshop.

To learn more about CCFC workshops and to access training, resources and information on other Commission administered programs, please access the CCFC Workshop Management System at [www.cash4college.csac.ca.gov](http://www.cash4college.csac.ca.gov) or visit the Commission's website at [www.csac.ca.gov](http://www.csac.ca.gov).
