SUBJECT: **2024-25 DRAFT #2 Cal ISIR Record Layout**

This Operations Memo from the California Student Aid Commission (Commission) announces the release of DRAFT #2 of the 2024-25 California Dream Act Institutional Student Information Report (Cal ISIR), which is posted on the [CADAA Technical documents page](#) on the Commission's website. This version replaces the initial draft that was communicated on [GOM 2023-21](#).

- All data elements on the 2024-25 draft #2 Cal ISIR layout are tentative and represent an updated look at the new fields and organization of data that will be collected from the California Dream Act Application.
- Further changes and edits should be expected between draft versions and final versions of the Cal ISIR record layout.
- Final versions of the Cal ISIR record layout, including Reject and Comment Codes, will be released later this fall, upon release of the final versions of the federal ISIR layouts.

For more information on the upcoming changes to the 2024-25 financial aid applications, please see [GSA 2023-47](#) and visit our [Better FAFSA, Better CADAA webpage](#). The Commission will continue to provide updates and communicate with schools as we work towards implementing these changes.
