Dear <<Name>>:

Congratulations! The California Student Aid Commission (Commission) has tentatively awarded you a California Chafee Grant Program award. Please note that the information provided below is an estimate of your Chafee Grant:

College:**Award Amount: \$X,XXX.XX**

As you already know, this grant is designed to assist current or former foster youth in meeting their educational goals. To receive this grant you must be enrolled at least half-time and maintain satisfactory academic progress. Receipt of this grant may affect other financial aid awarded by your campus financial aid office.

The Commission anticipates that the 2007-2008 state and federal funding will be appropriated for the Chafee Grant Program. Awarding of Chafee payments will begin as soon as the state budget is signed. Payments will be prorated by term and sent to your institution's financial aid office. You also will be notified by mail when the check is sent to your campus.

You can use this award letter as documentation of Chafee Grant award status and to verify that the disbursement is forthcoming. If your institution requires additional information, please contact us or have them call us directly. The Commission will make every effort to expedite this process in order to assist you in meeting your educational goals.

You can verify your payment status on WebGrants for Students at <https://mygrantinfo.csac.ca.gov>. If you have any questions or your plans for college have changed, please contact the Commission's Student Support Services Branch staff toll free at 1-888-224-7268, option 2, Monday through Friday, or email specialized@csac.ca.gov.

Congratulations again and best wishes in achieving your educational goals!

Sincerely,

A handwritten signature in blue ink that reads "Diana Fuentes-Michel".
