### Presentation by the California State University

---

The Commission invited the California State University to share information about CSU's mission, its students, costs, the challenges it faces and its vision of the future. Chancellor Tim White graciously accepted the Commission's invitation. The following representatives will make the presentation:

Dr. Loren Blanchard  
Executive Vice Chancellor for Academic and Student Affairs, California State University

Dr. Ed Mills  
Vice President of Student Affairs, California State University, Sacramento

Mr. Dean Kulju  
Director of Student Financial Aid Services and Programs, Student Academic Support Department, California State University

Ms. Taylor Herren  
President, California State Student Association

Ms. Carolina Cardenas  
Director of Academic Outreach and Early Assessment, California State University
