#### Announcement of Marmaduke Award Winner

---

Staff will provide information on the process used to choose this year's Arthur Marmaduke Award Winner.

In 1985, this award was established by the Commission as a means of honoring a high school counselor with superior skills in helping high school students seek and receive financial aid for college. Arthur Marmaduke served as Executive Director of the Commission for 25 years, and this award is made in honor of the dedication and commitment he demonstrated in helping students gain access to postsecondary education.

The award will be presented to the award recipient at a future Commission meeting and/or at a site or event of the principal's choosing that is coordinated with the Commission.
