As Chair of the Student Services and Fees Administrative Advisory Committee (SSFAAC), he has also served as the UC Davis Delegate to the UC Council on Student Fees, the official student advisory voice on system wide matters regarding the use of registrations fees and on the provision of student services.

Since coming to Davis, Mr. Ambrose has been involved in several service and charitable projects through a number of student organizations. In 2006, he received the UC Davis Vice Chancellor's Award of Merit for extraordinary leadership and civic engagement. In the future, he plans to pursue a career in the field of finance, or investment banking.

**PRIVATE POST-SECONDARY EDUCATION (FOR-PROFIT) INSTITUTION
REPRESENTATIVE**

Robert Johnson

Executive Director

California Association of Private Postsecondary Schools

400 Capitol Mall, Suite 1560

Sacramento, CA 95814

Term: 9/8/06 – 9/8/08

Seat: Vacancy

Background:

Robert Johnson has been the Executive Director of the California Association of Private Postsecondary Schools (CAPPS) since 1998. Mr. Johnson's responsibilities include representing, specifically the CAPPS membership and generally, the private, for-profit Higher Education sector, in work with the Governor, State Legislature and various regulatory bodies such as the Bureau for Private Postsecondary and Vocational Education (BPPVE). He administers the Independent Coalition of Educators Political Action Committee (ICEPAC) and supervises the contract lobbyists employed by CAPPS. He is the principal CAPPS liaison to such agencies as EDFUND and the Student Aid Commission. He is responsible for implementing sector capacity building programs, and spends much of his time advising member schools on business, regulatory, accrediting and legal matters that may affect their institutional readiness.

Before assuming his position as Executive Director of CAPPS, Mr. Johnson managed public sector Economic Development and Job Training Programs in California. He worked extensively with local, State and federal officials on crafting the Job Training Partnership Act and its successive legislation. Mr. Johnson has been an active member of the California State Bar Association since 1980 and has practiced law in a number of areas. He writes extensively on private career school issues in California. Mr. Johnson has served previously on the Loan Advisory Council (2002-2004).

RE: Nomination for the Loan Advisory Council

To Whom It May Concern:

My name is Alan Crane. I am a 33 year-old reentry college student carrying a 3.62 G.P.A. I have been a member of the Phi Theta Kappa 2-year honor society and the Bakersfield College Student Government Association (BCSGA) since the fall semester of 2005. I earned Dean's List recognition during the Spring and Fall 2005 semesters. I have averaged a 9.5 unit class load per regular semester since returning to school in Spring 2005, and 3.5 unit average over the last two summers. Pursuing an IGETC course of study in Philosophy at Bakersfield College, I am working towards acceptance into the University of California system or other private university for undergraduate study in Political Science – Public Service. After receiving my Bachelor's Degree, I plan to continue my education for the award of a Juris Doctorate in Legislative Law and Process.

I am a registered Republican with moderate political views. I hope to one day enter into state or national politics.

I have the ability to listen attentively, follow directions, quickly absorb information, and adapt my previous work experiences to new environments. I am able to work with little or no supervision and maintain work schedules, even during high volume periods and in stressful work environments. I have the desire to contribute to a team effort and am eager to learn new skills.

While living on the Central Coast, I learned the value of hard work and determination, and the rewards that follow. I am interested in continuing in this tradition throughout my academic career, and am sure that my wide variety of work experience and the ability to quickly adapt to various environments will be an asset to any team I join.

I hold a Nuclear Regulatory Commission security clearance for unescorted access at nuclear power generation facilities in the United States.

Region 5 Representative

**Student Senate for California Community Colleges (SSCCC); Sacramento, CA
2006-2007 Academic Year (ongoing)**

Primary duties include working closely with another representative from Region 5 in order to address issues and concerns of 11 constituency schools in the California Community College (CCC) system, as well as helping to represent the interests of all 2.5 million students currently enrolled in the CCC system as one of twenty members of an elected student senate. Secondary duties include helping to ensure an effective student presence in participatory governance matters, providing research and input for the creation of by-laws and resolutions procedures for the newly created SSCCC through committee collaboration, and representing community college students in the public eye to the best of my ability.

Legislative Liaison

**Bakersfield College Student Government Association; Bakersfield, CA
Spring 2006 Semester (ongoing)**

As an officer of the Executive Board for the Bakersfield College Student Government Association (BCSGA), my primary duties include staying up-to-date on current legislation that could affect community college students, and reporting on that legislation as needed to the Executive Board and Senate of the BCSGA. Secondary duties include attendance of District Board meetings, chairing the Legislative Affairs Committee (BCSGA), and working with other officers of the BCSGA Executive Board on student-related school activities.

Microeconomics / Astronomy Tutor

**Bakersfield College Tutoring Center; Bakersfield, CA
2005 Fall Semester**

As a tutor, I worked with fellow students helping to reinforce ideas and information provided by instructors during in-class lectures, as well as lending help and support with class projects and homework assignments.

Hydro-Blaster's Assistant / Drainage Technician

**Global Hydro Services; San Luis Obispo, CA
2003-2005 Fossil Power Maintenance Seasons**

Working as a member of a five-man team for a national traveling maintenance organization, my primary duties included on-site planning, implementation, and supervision of modular drainage system for use during hydro-blasting maintenance of bearing lubrication systems for power generating stations across the continental United States. Secondary duties included helping to setup and relocate equipment on-site between blasting cycles and preventative maintenance and rebuilding of company owned pneumatic pumps and other equipment.

Facility Maintenance, ANSS-FME
PG&E Diablo Canyon Power Plant; Avila Beach, CA
2002-2004, 1R11-2R12 Refueling Outages

As a temporary additional utility worker in Facility Maintenance during the 1R11, 2R11 and 1R12 refueling cycles, I received on-site training in security and event awareness, as well as certifications as a knowledgeable electrical worker and forklift operator. My primary duty was the strategic planning, implementation and delivery of potable water necessary to meet high demands during refueling maintenance cycles, both on-sight and within the power block. Secondary duties included training new personnel, clearing of foliage growth to meet fire safety and security concerns, and refuse removal. Because of my work ethic and initiative, I received radiation worker and containment procedure training at the end of the 1R12 cycle and was promoted to the Foreign Materials Exclusion (Asset - Nuclear Steam Supply) group, where I worked through 2R12. Primary duties included climbing in a hazardous environment for the purpose of foreign object removal, setting and monitoring of high-risk areas in containment, and airlock operations. Secondary work included maintaining sign-in sheets and accountability logs of personnel and equipment, helping to ensure the safe startup, operation and reliability of two 600 million dollar nuclear reactors.

Administrative Assistant / Customer Service Operator
New Roads; San Luis Obispo, CA
2002-2003 Christmas Shopping Seasons

As an administrative assistant for a global corporation specializing in mail order fulfillment of skateboard and snowboarding products my duties included generating work schedules for over two hundred employees, monitoring the quality control of active phone calls, insuring proper shipping schedules during high volume periods of sales, and dealing with difficult customer service matters.

BRIEF BIOGRAPHY

I am currently a senior at UC Davis working toward a degree in Economics, while minoring in Political Science and Contemporary Leadership. Prior to college, I lived overseas in Taipei, Taiwan and attended the Taipei American School (K-12), where I received an American-based education with a global perspective that resulted in a love of learning and service to others, while being exposed to a multicultural community rich in traditions of East and West.

At UC Davis, I have served on a number of Administrative Advisory Committees to the Chancellor, channeling student input into decisions regarding the level and use of registrations fees, which affect campus life. As Chair of the Student Services and Fees Administrative Advisory Committee (SSFAAC), I have also served as the UC Davis Delegate to the UC Council on Student Fees, the official student advisory voice on system wide matters regarding the use of registrations fees and on the provision of student services. The Council acts as a forum to develop and endorse policy positions on student fee issues of collective importance to all UC campuses. It also acts as a clearinghouse of information on the development and resolution of student fee related issues, working closely with the Office of the President, the UC Student Association, the Regents, and the State Legislature.

I applied to serve on SSFAAC and other related committees because I felt it was important to maintain and enhance the influence students have over the allocation of their own fees, to streamline their use, and to more accurately reflect the needs of the student body. Working amid the tight fiscal climate in California, the committees I have served on often faced tough decisions when putting forward their budget recommendations and I have learned how the fee allocation process can be a difficult challenge.

Since coming to Davis, I have also been involved in several service and charitable projects through a number of student organizations. This has made a significant impact on my development because by aiding, in some cases, underprivileged communities beyond school walls, I learned to respect the values of others and to appreciate what I already have. I also developed a greater awareness of and respect for cultural differences.

This year, I was the recipient of the UC Davis Vice Chancellor's Award of Merit for extraordinary leadership and civic engagement. In the future, I hope to find a career in the field of finance, or investment banking.
