

Information

Student Impact Committee

Presentations by student representatives and student organizations

We have invited student representatives and student organizations to share information about their organizations and responsibilities and to identify significant issues about financial aid and higher education of particular concern to students. The Student Impact Committee was also interested in examining ways to strengthen students' and student organizations' collaboration with the Committee and the Commission.

We have invited the following student representatives and organizations:

- Katie Mesesan, Board Chair, University of California Student Association (UCSA) **[Confirmed]**;
- Jurena Storm, Board Member, Board of Governors, California Community Colleges Chancellor's Office **[Confirmed]**;
