The California Dream Act Application is the financial aid application for Assembly Bill (AB) 540 eligible students. Complete this worksheet before starting the online or paper application to make sure you have all of the information you will need to complete and submit the application. Full application instructions and the application can be found at www.caldreamact.org. Be sure to complete the correct year's application. For example, complete the 2018-19 if you plan to attend college in the fall 2018 or the spring 2019

The California Dream Act Application can only be completed by students who meet the following AB 540 requirements:

1. Attended a California high school for at least three years, OR
2. Attainment of credits in California from a California high school equivalent of at least three or more years of full-time high school coursework and a total of three or more years of attendance in California Elementary schools, California secondary schools, or a combination of those schools.
3. Graduated or will graduate from a California high school or attainment of General Education Development (GED), High School Equivalency Test (HiSET), or Test Assessing Secondary Completion (TASC), AND
4. Will register or enroll in an accredited and qualifying California college or university, AND
5. If applicable, complete an affidavit to legalize immigration status as soon as you are eligible, AND
6. Do not hold a valid non-immigrant visa (F, J, H, L, A, B, C, D, E, etc.)*

* If you have Temporary Protected Status or hold a U visa select "Yes"

If you meet these requirements, use this worksheet as a guide on how to answer the questions when you fill out the California Dream Act Application (CADAA). The CADAA is online at www.caldreamact.org. The California Student Aid Commission processes the CADAA. Any financial aid received can only be used at eligible California institutions. (AB) 540 was passed in 2001 to allow non-resident students in California to pay in state resident fees at California's public colleges and universities. In October 2011, AB 131 was signed into law and allows students eligible for AB 540 to also apply for State University Grants, Board of Governors fee waivers, and Cal Grants. Students must verify with their college the financial aid filing requirements at that college.

The CADAA is not an application for **federal** financial aid. Students eligible to file the Free Application for Federal Student Aid (FAFSA) must do so online at www.fafsa.gov. Students should not complete both applications.

Applying by the Deadlines

Submit your CADAA as early as possible. For the 2018-19 school year, the state Cal Grant program has a March 2, 2018* filing deadline. A school certified non-SSN GPA verification form is available at www.caldreamact.org and is also required for the Cal Grant program. Many colleges and universities also use March 2 as a priority deadline, but you must check with your college to determine its application deadlines and filing requirements.

You may also need to complete additional forms. Check with your high school guidance counselor or a financial aid administrator at your college about state and college sources of student aid. If you are filing close to one of these deadlines, we recommend you file online at www.caldreamact.org. This is the fastest and easiest way to apply for aid.

Using Your Tax Return

You will use your 2016 income tax return to complete the 2018-2019 California Dream Act Application. Do not miss any of your colleges' deadlines. If you or your parents will file a 2016 income tax return, you will need the tax returns and/or W-2 forms to complete the CADAA. If you or your parent's will not file an income tax return, enter the total the wages they have earned from working during 2016.

Filling out the California Dream Act Application

If you or your family have unusual circumstances that might affect your financial situation, such as loss of employment, complete this form and the CADAA to the extent you can. Submit it as instructed and consult with the financial aid office at the college you plan to attend.

After you complete this worksheet, go online to www.caldreamact.org and complete the CADAA. **Do not mail this worksheet.** After your CADAA has been processed, you will be able to see your responses by viewing your California Student Aid Report. If you would like to make changes to your CADAA, login to www.caldreamact.org and retrieve your CADAA.

**State applications with deadlines that fall on a Saturday, Sunday or holiday will be accepted on the next business day.*
