Mail to: California Student Aid Commission, Program Administration and Services Division  
P.O. Box 419028, Rancho Cordova, CA 95741-9028

Complete this form if you are enrolled in a mandatory five-year undergraduate program and are requesting additional Cal Grant A or B benefits. A mandatory five-year program is an undergraduate program **which requires all participants to complete more than four years of undergraduate study to obtain their degree.** These additional benefits are not available to students whose attendance is extended for other reasons. Payment of your grant is subject to your institution verifying that you are enrolled in an eligible fifth year program. A list of eligible institutions and programs is on the reverse side of this form. If your course of study or institution is not listed, you must contact an official at your institution to request that they provide documentation that the program in which you are enrolled is a mandatory five-year program which meets the criteria stated above.
