

The following guidelines should be used when reviewing applications and submitting nominations for the Robert C. Byrd Honors Scholarship Program (Scholarship). If you have any questions about the Scholarship or the nomination process, please call the California Student Aid Commission's (Commission) Specialized Programs Operations Branch, weekdays between 8:00a.m. and Noon at (888) 224-7268, option 3.

**COORDINATOR'S RESPONSIBILITIES**

**NOMINATION PROCESS**

Each year, coordinators should inform potential scholarship program participants of any campus requirements or deadlines. Interested students should be provided a fact sheet and an application. Coordinators should ensure that students from *low- or moderate-income families* have access to information concerning this Scholarship.

Coordinators should select two (2) nominees from among students who: 1) have demonstrated outstanding academic achievement in high school and show promise of continued academic achievement in college; 2) will graduate from high school at the end of the current academic year and agree to enroll in and attend an institution of higher education on a full-time basis for the 2009-10 academic year; and 3) will submit the completed application to the designated coordinator at the applicant's California high school by the appropriate processing deadline.

Coordinators may identify **up to two (2)** nominees using criteria including, but not limited to, the following:

**SELECTION CRITERIA**

- √ High school grade point average (GPA).
- √ Combined mathematics, critical reading and writing scores received on the Scholastic Aptitude Test (SAT) or a composite score received on the American College Test (ACT). If an applicant has taken the SAT twice, the highest mathematics, critical reading and writing scores may be used from each test. For example, if on the first sitting the applicant scored 600 on mathematics, 750 on critical reading and 800 on writing, and on the second sitting the applicant scored 700 on mathematics and 700 on critical reading and 750 on writing, the highest scores used would be *mathematics 700, critical reading 750 and writing 800*.

**To calculate an applicant's GPA, use sophomore through 2008-09 Fall term senior grades, excluding Physical Education and Reserve Officer Training Corps. Convert any grades with extra weight for Honors and Advanced Placement classes to a 4.00 scale before calculating the GPA. Transcripts will not be accepted in lieu of an applicant's calculated GPA.**

Coordinators must review all applications before submitting them to the Commission to ensure that the applicants meet all of the eligibility requirements and that all required documentation is included.

**APPLICATION REVIEW**

**If required, please ensure that applicants include documentation of U.S. citizenship from the U.S. Citizenship and Immigration Services (#9 on application), and indicate which college they will most likely attend for the 2009-10 academic year (#12 on application).**

Coordinators must submit the 2009-10 Nomination Form, GPA/Test Score Verification Form and up to two (2) Application(s) **postmarked no later than May 1, 2009 to:**

**SUBMITTING NOMINATIONS**

**California Student Aid Commission  
Attn: Robert C. Byrd Honors Scholarship Program  
P.O. Box 419029  
Rancho Cordova, CA 95741-9029**

Coordinators should notify the selected students that their application has been submitted to compete for the 2009-10 Robert C. Byrd Honors Scholarship Program.

**NOTE: Late or incomplete applications will not be considered in the ranking process.**

**COMMISSION RESPONSIBILITIES**

**APPLICATION RANKING**

Eligible applicants will receive a score based on their combined calculated GPA/converted GED scores and SAT/ACT test scores. Applicants will then be ranked in descending score order (highest first) for selection of new scholarships (e.g., if an applicant's reported GPA is 3.50 and her/his SAT score is 1150, the applicant's score is 350.1150. If another applicant also has a reported GPA of 3.50, but does not have an SAT/ACT score, his/her score is 350.0000).

**AWARD ANNOUNCEMENT**

The Commission will announce Scholarship recipients before the end of the school year. The institution and students will receive notification of their award status by mail.

**FEDERAL FUNDS**

This Scholarship is entirely supported by federal funds and, as such, is subject to availability of federal funds each year. If additional funds become available, new awards will be made based upon ranked eligibility until all funds are expended.
