Congratulations! The California Student Aid Commission (CSAC) has awarded you an estimated Entitlement Cal Grant award. This CAR contains important information about your Cal Grant. Please note that the information provided below is based on the information you provided on your FAFSA and is considered an estimated award. Please be aware that this award offer may be withdrawn or reduced pending approval of the final State budget.

My Cal Grant Award:

1. If the first school listed above is not the school you plan to attend, when you decide on the school you will attend, please log on to your WebGrants for Students account and change your school of attendance.
2. If your Cal Grant award does not appear on your financial aid award notification from your school, contact the college Financial Aid Office at the school you plan to attend and notify them of your Cal Grant offer.
3. To be eligible for this Entitlement Cal Grant award, you must have satisfied all high school graduation requirements. In late spring, CSAC will ask for confirmation of your high school graduation.

4. Read the [Important Facts About Your New Cal Grant Award](#) as it contains important information on how to activate, retain and renew your Cal Grant award offer.
5. Continually monitor your Cal Grant Award by checking your WebGrants For Students account.

Changes to the Cal Grant program may occur through the State budget process that might impact your award offer. The final amount of your award will be determined based on your school of attendance, enrollment status, and confirmation of the State budget.

If you have been offered a Cal Grant A and you choose to attend a California Community College, you will not receive any payments while attending community college. Instead, CSAC will hold the potential grant in a status called Community College Reserve for up to two years and, potentially, for an additional year with an extension request from the student. You may activate the Cal Grant A award by putting a school change request on WebGrants and by attending in an AA or BA/BS program at a non-community college in California. To keep your eligibility for a Community College Reserve award, you must be enrolled for the fall term.

PRIVACY STATEMENT: Please be aware, grant award information for students who are 18 years of age or older will only be released to parents or guardians with written authorization from the student.
