SUBJECT: 2010-11 College Cost Estimate Information Reminder

The purpose of this Operations Memo is to notify financial aid administrators that the California Student Aid Commission (Commission) has extended the deadline for the 2010-11 Cal Grant College Cost Estimates (CCE) to **January 27, 2010**.

The Commission anticipated processing new 2010-11 Entitlement Cal Grant awards beginning late January. Due to extending the original CCE deadline, the Commission will begin processing awards in early February.

As a result of minimal response from schools, the Commission decided to extend the deadline from the original January 21 date to January 27. College cost information is used to determine the financial need and award amounts for Cal Grant applicants. If the updated College Cost Estimate information is not received by January 27, 2010, the Commission will use the previously reported figures submitted by your school. Using outdated information could disadvantage some students in the determination of their financial need.

Please refer to GOM 2009-34 released on November 25, 2009 for detailed instructions on using WebGrants to submit your cost estimates. If mailing the form, it must be **received** by us no later than, January 27, 2010. Mail the form to:
