SUBJECT: Changes to WebGrants – Portal and Security

The California Student Aid Commission (Commission) is pleased to announce enhanced functionalities for WebGrants including changes to the initial menu page for WebGrants. Starting September 21, 2010, WebGrants users may see additional menu items depending on the type of access given by the school's System Administrator (SA). These minor changes may not be obvious to many users.

The initial WebGrants page will now act as a portal to WebGrants functionalities as authorized by the campus SA. These menus currently include WebGrants and User administration. Other menu items will be added in the future. Users who do not have authorized access to a particular program will not see it displayed as a menu choice. Similarly, in order to see any WebGrants screen, a WebGrants user must have been granted at least "read" access by the school's SA.

Please refer to the attached document, "WebGrants Changes – September 21, 2010" for more details. Since most of the changes are adaptations of existing menu and operational structure, the Commission does not anticipate any difficulties from this enhancement.

For further assistance, contact the Commission's School Support Services staff at (888) 294-0153 or at schoolsupport@csac.ca.gov.
