RE: Cal Grant Update

The California Student Aid Commission (Commission), the state agency responsible for awarding Cal Grants, has determined your preliminary Cal Grant eligibility for the 2010-11 academic year. To check the status of your Cal Grant, please go to the WebGrants for Student (WGS) website located at www.webgrants4students.org where you can print your California Aid Report (CAR).

WGS is a safe and secure website created and managed by the Commission for you the student! The goal is to provide you with the resources, information and tools needed to assist you with the college financial aid process. If this is your first time visiting WGS, you will need to create a WGS account by clicking the link that says, "Create an Account." When you log in to WGS, you will need to ensure that your information is correct, including the school that we currently have listed on file for you.

If you have questions or need additional information about the Cal Grant Program, please contact us from 1:00-4:55 pm, Monday through Friday at 1-888-224-7268. If you are unable to create an account and need technical assistance please call 1-888-294-0148 between 8:00-4:55 pm.
