SUBJECT: College Cost Reminder – Extended Deadline

The California Student Aid Commission (Commission) has extended the deadline for the 2011-12 Cal Grant College Cost Estimates (CCE) to **January 28, 2011**.

As a result of minimal response from schools, the Commission is extending the CCE deadline from the January 21 date to January 28, 2011. College cost information is used to determine the financial need and award amounts for Cal Grant applicants. If the updated CCE information is not received by the final January 28, 2011 deadline, the Commission will use the prior year reported figures which are outdated and could disadvantage some students in the determination of their financial need at your campus.

Please refer to GOM 2010-25 released on November 18, 2010 for detailed instructions on using WebGrants to submit your cost estimates. If mailing the form, it must be **received** by us no later than, January 28, 2011. Mail the form to:
