

July-August, 2012, e-mail notification to new and renewal Cal Grant A, Cal Grant B (T/F & Access), and Cal Grant C students (renewal) at eligible schools (in segments 5, 6, 7, 8) who had their award reduced by 5%.

RE: Decrease to Cal Grant Award

Dear Student,

The purpose of this notification from the California Student Aid Commission (CSAC) is to inform you that the 2012-13 Budget Act signed on June 27, 2012, included provisions that reduced Cal Grant award amounts by 5% at certain schools. Based on the school of attendance information that we have in our records, your Cal Grant award has been reduced by 5% for the upcoming 2012-13 academic year.

To view the full list of Cal Grant award amount changes as outlined in the Budget Act of 2012, please go to www.webgrants4students.org and click the link "Cal Grant Award Amounts." The document provides details on award amounts for the various school segments and important changes for the next academic year in 2013-14. You should also sign in to your WebGrants for Students account to check on your Cal Grant award and ensure that CSAC has your correct information including your school of attendance.

For questions regarding the processing and disbursement of your Cal Grant award, please contact the financial aid office at your school of attendance.
