Codes on the California Aid Report (CAR)

Below are explanations of codes which may appear on your CAR.

Code #1 or 1A - Qualified Applicant

You are eligible for both a Cal Grant A and a Cal Grant B. The award that shows an award amount was selected for you because it should give you the most benefit over the life of the grant. If you would rather be considered for the other grant listed, you should meet with a college financial aid counselor. If you decide to make a change, please do so as soon as possible. Changes in grant program type will not be made after an initial payment has been disbursed. You may submit your change request on WebGrants for Students at www.webgrants4students.org. You may not receive benefits in more than one Cal Grant program at the same time.

CC Reserve

You have been offered a Cal Grant A award and indicated that you will be attending a Community College (CC).
