SUBJECT: 2014-15 College Cost Estimate Reminder

This Operations Memo from the California Student Aid Commission (Commission) reminds financial aid administrators to submit their school's 2014-15 College Cost Estimate (CCE). Refer to [GOM 2013-32](#) released on December 5, 2013, for details on using WebGrants to submit the cost estimates.

Due to minimal response from schools, the CCE deadline is being extended from January 24 to January 31. The new deadline to submit 2014-15 College Cost Estimate information is **Friday, January 31, 2014**.

The Commission anticipates processing new 2014-15 Entitlement Cal Grant awards in February 2014. The Commission uses college cost information to determine the financial need and award amounts for Cal Grant applicants. If the updated CCE information is not received by the final January 31, 2014 deadline, the Commission will use the prior year reported figures which are outdated and could **disadvantage some students** in the determination of their financial need at your school.

If mailing the paper [College Cost Estimate form](#), it must be **received** by the Commission no later than January 31, 2014. Mail to the form to:
