SUBJECT: 2009-10 Cal Grant Disbursements Update

This Grant Special Alert (GSA) provides a status update on the processing of 2009-10 Cal Grant payments as discussed in GSA 2010-22, dated June 9, 2010.

As you know, the California Student Aid Commission (Commission) has not disbursed Cal Grant payments since mid-April 2010. The Commission has received confirmation from the Department of Finance (DOF) that the California Legislature has authorized a partial augmentation for additional 2009-10 Cal Grant funding. Based on the approved funding augmentation, the Commission will be able to process payment requests submitted from April 12 through June 17, 2010. Payment requests submitted after June 17, 2010 will be processed as additional funds become available through reconciliation.

The Monthly Payment Activity (MPA) Report and reconciliation reports in WebGrants will reflect the reconciled payments for these dates. Schools will begin to receive Cal Grant disbursements during the week of July 6, 2010. Some schools may receive multiple EFT transactions or paper warrants. Please review your MPA report to make sure you receive all payments that you reported between April 12 and June 17.

The 2009-10 summer term payments are contingent on the authorization of additional Cal Grant funds. We anticipate that the delay in disbursing Cal Grant payments will be similar to the 2008-09 payment year when the final augmentation became available in late February 2010. The Commission recognizes the tremendous impact this will have on you and your summer Cal Grant students and appreciates your patience and cooperation.

We will continue to keep you informed as updates are received. If you have any questions regarding the information in this Special Alert, please contact School Support Services at (888) 294-0153 or at schoolsupport@csac.ca.gov.
