**SUBJECT:** 2009-10 Summer Term Payments Update

---

This Special Alert notifies schools that the California Student Aid Commission (Commission) has reconciled the pending 2009-10 summer term payments. However, no summer term advance was generated due to a shortage in available Cal Grant funds as discussed in GSA 2010-23, dated July 2, 2010.

The Monthly Payment Activity (MPA) Report and the reconciliation reports in WebGrants will reflect the reconciled 2009-10 summer term payments. These summer term payments, in addition to other pending Cal Grant payments, are contingent on the State's authorization of additional Cal Grant funds.

As stated in GSA 2010-23, we anticipate that the delay in disbursing Cal Grant payments will be similar to the 2008-09 payment year, when the final augmentation became available in late February 2010.

We will continue to keep you informed as updates are received. If you have any questions regarding the information in this Special Alert, please contact School Support Services at (888) 294-0153 or at [schoolsupport@csac.ca.gov](mailto:schoolsupport@csac.ca.gov).
