**SUBJECT:** 2012-13 Fund Your Future Brochure – Available Now!

The California Student Aid Commission (Commission) in partnership with ECMC is pleased to announce that the **2012-13 Fund Your Future Brochure** is available. Our partnership efforts created the opportunity to deliver this updated brochure to you in August, the earliest delivery yet!

The complimentary Fund Your Future (FYF) Brochure is a quick reference guide to financial aid information. In this document you will find:

- How to apply for financial aid and Cal Grants
- Basic financial aid information, charts and descriptions
- A useful checklist for students
- Websites to colleges, scholarships and additional resources, including Spanish language sites (see back cover)
- Ways to reduce college costs
- Federal loan information

Order the new brochure for financial aid nights, keep them on hand in your office or college/career center, and post the e-file to your website. Spanish language copies of the brochure will be available in October.

Place your online order at [https://www.edfund.org/pubs\\_order/publications.cfm](https://www.edfund.org/pubs_order/publications.cfm). Or, order through fax or mail using the paper “[Request for Materials](#)” form.

The Commission plans to have the 2012 Fund Your Future Workbook available in late September. The FYF Workbook provides detailed information on financial aid.

Thank you for your efforts to reach the students of California in their access to higher education!
