SUBJECT: 2011-12 Cal Grant Payment Update & Summer Advance

The California Student Aid Commission (Commission) is pleased to announce that the 2011-12 budget augmentation has been approved.

The Commission will resume 2011-12 Cal Grant payments on a weekly basis. All Cal Grant payments delayed during the temporary suspension will be processed and should arrive on campuses by next week. Please refer to Grant Special Alert ([GSA](#)) 2012-13 released on May 10, 2012 for more information on the Cal Grant funds shortage.

The Commission will not process the 2011-12 summer term advance. However, the summer term on the payment roster in WebGrants will become available on Wednesday, June 6, 2012, to allow institutions to post summer payments. Posted summer payments will be included in the weekly reconciliation and supplemental payment process.

Schools can manually add a summer term on the roster by clicking the "add summer term" drop-down under the **summer term information** section and then hit the "SAVE" button on the WebGrants roster. The summer term will immediately become active on the roster. However, if the transaction rejects, the reject reason will be displayed in red. A user can delete the pending transaction, fix the problem, add the summer term again and resubmit.

The Commission appreciates your patience, understanding and cooperation during the payment delay. If you have any questions, please contact the School Support Services Branch at (888) 294-0153 or at schoolsupport@csac.ca.gov.
