**SUBJECT: Child Development Grant Program Update**

---

This Special Alert provides an update on the Child Development Grant Program for the 2012-13 academic year.

On August 31, 2012, the California Student Aid Commission (Commission) will mail new and renewal Child Development award notifications and Service Commitment Agreements (SCA) to selected recipients.

The award notification outlines the award amount and the program eligibility requirements a Child Development Grant recipient must fulfill in order to receive funds. The SCA outlines the service terms and conditions and instructs recipients to complete and return the agreement to the Commission to be eligible for participation in the program. Students who do not return the SCA will be withdrawn from the program.

The Commission anticipates mailing Child Development Grant payments for the fall term in mid-September 2012. Upon dissemination of the payments/checks, the Commission will notify institutions and recipients via email. Institutions are encouraged to notify recipients once their payment is received and processed.
