

CALIFORNIA DREAM ACT DAY WAYS TO PARTICIPATE ON 4/20/12

REGISTER TODAY: WWW.COLLEGEWEEKLIVE.COM/CACFC

For Support on the day of CA Dream Act Day, 4/20, to access the Video Event, Call CollegeWeek Live at 1-888.697.0050, or email us at cashforcollege@csac.ca.gov.

At a High School

- **Counselors & school staff** can join the morning training session from their desktop or laptop computers.

Afternoon sessions:

- **Students can join from a school computer lab** set up by school staff to show the Video Event on a large screen in the lab. Students complete the Dream Application online during Video Event.
- **Students can join from a school classroom** set up by school staff to show the Video Event on a large screen in the classroom. Students can take notes and complete at a later time.

At a College Campus

- **Campus staff** can join the morning training session from their desktop or laptop computers.

Afternoon sessions:

- **College Students can join from their own laptops, or at a campus computer lab** set up by staff or site hosts to show the Video Event on a large screen in the lab. Students complete the Dream Application online during Video Event.
- **College Students can join from a campus room** set up by staff or site hosts to show the Video Event on a large screen in the classroom. Students can take notes and complete at a later time.

At a Community Site

Other AB 540 advisors and community members can join the morning session from a desktop or laptop computer.

Afternoon sessions:

- **Parents and community members can join from a campus computer lab** set up by staff or site hosts to show the Video Event on a large screen in the lab. Students complete the Dream Application online during Video Event.
- **College Students can join from a campus room** set up by staff or site hosts to show the Video Event on a large screen in the classroom. Students can take notes and complete at a later time.

From Home, Online Chat only, or with Mobile Devices

- To view the Video Event from home, parents, community members and students can use a computer with speakers, high speed Internet connection and a web browser.
- If video is not available, participate in the online chats from a desk top computer, laptop or from an Android, iPhone or iPad.
