SUBJECT: California Dream Act Application Access

This Special Alert from the California Student Aid Commission (Commission) provides information on the release of the online 2013-14 California Dream Act Application. Implementation is now scheduled for Wednesday, January 23, 2013. The paper application remains available for students to use.

The application initially was released on January 14. During the first two days of use, connectivity issues arose that were affecting accurate submission of the application. Resolution of these issues has required corrective measures and additional testing of the application.

The Commission is aware of the importance of having this application available to serve the new financial aid recipients that the Dream Act is to serve. All available resources are now working towards release by this coming Wednesday, January 23, 2013.

If you have any questions regarding this Special Alert, please contact the Commission's School Support Services staff at (888) 294-0153 or via e-mail at schoolsupport@csac.ca.gov.

Working together to effectively promote education beyond high school!!
