SUBJECT: Cal Grant Program and Participating Institution Data Reporting Requirements Second Amended 15-Day Notice and Extended Comment Period

This Special Alert provides information related to the California Student Aid Commission's (Commission) intent to seek adoption of regulations regarding the Cal Grant Program and Participating Institution Data Reporting Requirements as required by Senate Bill 70 (Chapter 7, Statutes of 2011).

The Commission is issuing a second amended 15-Day Public Notice for proposed revisions to the regulations that are substantially related to the originally proposed text. As part of that 15-Day Public Notice, the Commission provided a copy of the proposed text with double strikethrough and double underlined formatting showing the changes from the original proposal. Section 30042.5(e)(3) is being deleted from the proposed regulations, which was not reflected on the document previously provided.

To ensure that all interested parties receive a correct copy of the proposed text, the Commission has issued a Second Amended Notice of Public Availability of Post-Hearing Changes and provided a corrected version of the proposed text of the regulations. The Commission has also extended the public comment period to February 15, 2013. Written comments need to be received by the Commission by 5:00 p.m. on February 15, 2013 to be considered.

The [Second Amended Notice of Proposed Rulemaking](#) contains information regarding the regulatory process and instructions on how to submit comments. It may be found on the Commission's website.
