**SUBJECT:** Senate Bill 70 – Data Reporting Requirements

California Education Code (CEC) section 69433.2 requires Cal Grant participating institutions to annually report to the California Student Aid Commission (Commission) the following data for their undergraduate programs:

- a) Enrollment, persistence, and graduation data for all students, including aggregate information on Cal Grant recipients.
- b) The job placement rate and salary/wage information for students in programs that are either designed or advertised to lead to a particular type of job, or advertised or promoted with any claim regarding job placement.

The regulations implementing this section of the law establish a reporting deadline of December 31, 2013; however, as allowed by the regulations, the Commission has granted a 90-day extension to all institutions. As a result, the new reporting deadline is **March 31, 2014**.

After January 1, 2014, Commission staff will be conducting technical meetings with the various segmental representatives to further discuss the implementation of the job placement reporting. More information regarding these meetings will be provided in future communications.

If you have any questions about the Senate Bill 70 (SB 70) data submission, contact LeAnn Henkle at (916) 464-8107 or at [lhenkle@csac.ca.gov](mailto:lhenkle@csac.ca.gov).
