SUBJECT: Eligible and Ineligible Cal Grant Schools Lists for 2014-15

This Special Alert from the California Student Aid Commission (Commission) announces that the lists of Eligible and Ineligible Cal Grant Schools for the 2014-15 academic year are now available on our website. These lists can be accessed by selecting "Cal Grant Eligible Schools" at the bottom of the Commission's homepage at www.csac.ca.gov. The feature for searching for a 2014-15 eligible school by certain criteria will be available by late January, 2014.

By October 1 of each year, the Commission is required to certify a student loan cohort default rate (CDR) and graduation rate for an otherwise qualifying institution of higher education that seeks to participate in the Cal Grant Program. The CDR and graduation rate information are taken directly from federal data published by the U.S. Department of Education. These two requirements are used to determine if an interested institution of higher education is eligible to participate in the Cal Grant Program. Ineligible Cal Grant schools were sent communications informing them of their status.

If you have any questions regarding this Special Alert, please contact the Commission's School Support Services staff at (888) 294-0153 or via e-mail at schoolsupport@csac.ca.gov.

Working together to effectively promote education beyond high school!
