SUBJECT: **Institutional Participation Agreement Public Comment Meetings  
Postponed**

---

This Special Alert from the California Student Aid Commission (Commission) provides an update on the Institutional Participation Agreement (IPA) public comment meetings.

Due to the low number of registrants to participate in the four town hall style meetings that were scheduled for this month as stated on [GSA 2015-33](#), the Commission has decided to postpone these meetings to a later time.

These meetings were established to offer all stakeholders the opportunity to provide recommendations for Commission consideration in the drafting of the 2016-2020 IPA. In order to allow financial aid staff to participate in these meetings, Commission staff will work on scheduling these venues in mid-October, once the intensive workload of the fall period has decreased.

The Commission will issue a follow-up communication once the new dates and venues have been established.

Thank you in advance for your willingness to partner with us in this effort to better serve our Cal Grant students.
