Completion of this application is required to determine eligibility for California student financial aid for AB540 eligible students. Your application will be processed by the California Student Aid Commission.

The Dream Application is not an application for federal financial aid. Students who are eligible to file the Free Application for Federal Student Aid (FAFSA), must use that application to maximize their opportunity to receive student financial aid. The FAFSA application is online at www.fafsa.gov. Students should not complete both applications.

Assembly Bill (AB) 540 was passed in 2001 to allow non-resident students in California to pay the lower resident tuition and fees to California's public colleges and universities. In October 2011, AB131 was signed into law and allows students eligible for AB540 to also apply for state financial aid like the University of California Grants, State University Grants and Board of Governor's fee waivers for the 2012-13 school year and later Cal Grants for the 2013-14 school year.

To qualify for California financial aid through AB131, non-resident students, including undocumented students, must:

- Have attended a California high school for 3 or more full academic years between grades 9 through 12. They do not need to be consecutive years
- Have or will graduate from a California high school, attained a GED, or received a passing mark on the California High School Proficiency Exam (CHSPE)
- Register or be currently enrolled at an accredited institution of higher education in California
- Not hold a valid non-immigrant visa (F,J,H,L,A,B,E, etc.)
- Demonstrate financial need and meet all other program requirements
