2009-10 CAL GRANT PROGRAM RECIPIENTS**

Legislative Report Requirement
Section 8 of Senate Bill 1644 (Chapter 403, Statutes of 2000)

INTRODUCTION

Section 8 of Senate Bill 1644 (Chapter 403, Statutes of 2000) requires that the California Student Aid Commission (Commission) annually report to the Legislature and Governor on the number of Cal Grant applicants and new and continuing recipients each year. The data shall include at a minimum the following recipient information: educational level, grade point average, and segment of attendance.

The Commission is the state's principal provider of intersegmental statewide grant aid to postsecondary students. Founded in 1955 as the California State Scholarship Commission, the Commission's primary programmatic responsibilities include administration of the Cal Grant Program, the Chafee Grant Program and several targeted state scholarship and loan assumption programs. The Commission administers financial aid awareness and outreach programs, such as Cal-SOAP and Cash for College, in collaboration with business, private industry, and community-based organizations. The Commission is also the designated State guaranty agency responsible for the Federal Family Education Loan (FFEL) Program which it administers through its auxiliary organization, EDFUND. The Commission maintains overall responsibility for the FFEL Program, financial aid program administration, policy leadership, program evaluation and information development and coordination.

The Commission consists of 15 appointed members. Eleven members are appointed by the Governor and represent segments of the State's higher education community, postsecondary education students, and the general public. In addition, the Speaker of the Assembly and the Senate Rules Committee each appoint two Commission members as representatives of the general public.

In its policy decision-making, the Commission receives advice and recommendations from its staff; its advisory committees, including the Grant Advisory Committee and the Loan Advisory Council; the EDFUND Board; and ad hoc committees comprised of individuals that represent colleges and universities, secondary schools, student groups, the business community, lending institutions, and various levels of government. The Commission's strong tradition of public participation stems from its commitment to continuous improvement and responsiveness in the development and delivery of its financial aid programs and services.

BACKGROUND

On September 11, 2000, Senate Bill 1644 (Chapter 403, Statutes of 2000), also known as the Ortiz-Pacheco-Poochigian-Vasconcellos Cal Grant Program, was signed into law. This historic bill changed the Cal Grant Program, which previously consisted of Cal Grant A awards, Cal Grant B awards, Cal Grant C awards, and Cal Grant T awards. Since the 2001-02 award year, the Cal Grant Program consists of the following components: High School Entitlement Cal Grant A and B awards, California Community College Transfer Entitlement Cal Grant A and B awards, Competitive Cal Grant A and B awards, and the existing Cal Grant C and T awards.

As with the original Cal Grant Program, Cal Grant A awards provide for full systemwide fees at the California State University and the University of California, as well as tuition support at qualifying independent California colleges and universities and private career colleges to eligible low- and middle-income students. Cal Grant B awards provide funds to eligible low-income disadvantaged students. For first-year students, Cal Grant B awards provide up to

\$1,551 for books and living expenses. Beginning with the recipient's second year of attendance, the Cal Grant B award also helps pay for tuition and fees at qualifying postsecondary institutions. For new and renewal recipients at the California State University and the University of California, the 2009-10 systemwide fees were \$4,026 and \$8,373, respectively. For new recipients at qualifying independent California colleges and universities and private career colleges, both the Cal Grant A and B awards provided up to a maximum tuition and fee grant of \$9,708. Renewal recipients at qualifying independent California colleges and universities and private career colleges continued to receive the same tuition and fee grant amount as when they were initially awarded.

APPLICATION PROCESS

Applicants must meet multiple criteria to qualify. Submitting both the Free Application for Federal Student Aid (FAFSA) and the Cal Grant Grade Point Average (GPA) Verification Form by the statutory deadlines is the first step for students to be considered for a Cal Grant award. Of the nearly 886,100 students who were successful in completing this first step in the 2009-10 award year, over 574,700, or 65 percent, did not meet the financial and basic eligibility criteria. The basic eligibility criteria that students failed to meet include not being a California resident, not listing a qualifying Cal Grant college or university, and having already graduated with a bachelor's degree.

In addition to meeting financial and basic eligibility criteria, there are academic and other requirements specific to each component as indicated below.

High School Entitlement Cal Grant A and B Awards

The 2009-10 new High School Entitlement Cal Grant A and B awards were guaranteed to students who graduated from high school in 2007-08 or 2008-09. The High School Entitlement Cal Grant A and B awards required a minimum 3.0 and 2.0 GPA, respectively.

Beginning with the 2008-09 award year, new High School Entitlement Cal Grant recipients were required to provide confirmation of high school graduation prior to the Commission disbursing any Cal Grant funds.

California Community College Transfer Entitlement Cal Grant A and B Awards

The 2009-10 new California Community College Transfer Entitlement (Transfer Entitlement) Cal Grant A and B awards were guaranteed to every student who graduated from a California high school or its equivalent after June 30, 2000, was a California resident at the time of high school graduation, transferred to a qualifying baccalaureate-degree granting institution from a California Community College during the award year, was under the age of 28 at the time of the transfer, and had a minimum California Community College GPA of 2.4.

Beginning with the 2006-07 award year, new Transfer Entitlement Cal Grant recipients were required to provide confirmation of meeting the above eligibility requirements prior to the Commission disbursing any Cal Grant funds. Also, 10 percent of the new awards were randomly selected for campus-level verification that the recipients met the eligibility requirements prior to the Commission disbursing any Cal Grant funds.

Competitive Cal Grant A and B Awards

The 2009-10 new Competitive Cal Grant A and B awards were available to California students who did not meet the eligibility criteria for a new High School or Transfer Entitlement Cal Grant award. The Competitive Cal Grant A awards required a minimum 3.0 high school GPA or a minimum 2.4 college GPA. The Competitive Cal Grant B awards required a minimum 2.0 high school or college GPA. Eligible applicants competed for the 22,500 Competitive Cal Grant awards. Half of these awards (11,250) were offered to those applicants who met the March 2 deadline. The remaining 11,250 awards were offered to students who enrolled at a California Community College and met the September 2 deadline.

Pre-SB 1644 (Chapter 403, Statutes of 2000) Cal Grant A and B Awards

The Commission continued to phase out the Cal Grant A and B awards offered prior to the 2001-02 award year. There were 63 renewal recipients in 2009-10.

Cal Grant C Awards

The 2009-10 new Cal Grant C awards were available to low- and middle-income students receiving occupational or technical training in a course that was at least four months long. Eligible applicants who completed and returned a Cal Grant C Supplement competed for 7,761 Cal Grant C awards. For new and renewal recipients, the tuition and fee award was up to \$2,592 and the allowance for training-related costs (such as: books, tools and equipment) was \$576.

Cal Grant T Awards

The Cal Grant T awards were designed to help post-baccalaureate students pursue their initial California teaching credential. Funding for new Cal Grant T awards has not been authorized since 2002-03.

ELIGIBLE APPLICANTS AND RECIPIENTS

In the 2009-10 award year, of the approximately 886,000 students who applied for a new Cal Grant, 311,400, or 35 percent, qualified for a Cal Grant award. Of the 311,400 qualified applicants, 121,378 were offered a Cal Grant award. The following tables summarize the 2009-10 new and continuing Cal Grant recipients eligible to receive payment. These statistics do not reflect the actual number of recipients who ultimately used their Cal Grant (received payment) to attend college.

Note: This report as well as other reports produced by the Commission can be viewed on the Commission's Website at www.csac.ca.gov.
