SUBJECT: **CalFresh Eligible Students on Display Roster Screen**

This Operations Memo from the California Student Aid Commission (Commission) announces changes to the Display Roster Screen to identify Cal Grant recipients who meet CalFresh eligibility requirements under the Temporary Assistance for Needy Families (TANF).

TANF Flag

- The TANF eligible flag field was added to the Display Roster screen in WebGrants to allow campuses to create their own customized roster and generate the report as needed.
- The customized roster allows campuses to include the TANF flag field to determine which TANF eligible students have been paid or not.
- TANF eligible students will show a "Y", if not eligible the field is null (blank).
- Campuses will be able to see TANF eligible flagged records as well as utilize the new function as of Tuesday, 4/16/2019.
- The new field only exists on the screen and was not added to the Grant Roster file layout; no changes were made to the layout or process.
