SUBJECT: **Cal Grant Reminders**

This Operations Memo from the California Student Aid Commission (Commission) provides the following Cal Grant reminders.

2018-19 Cal Grant Competitive Awards

- To reach our goal of 100% utilization of 2018-19 Cal Grant competitive awards, institutions are reminded to report all outstanding payments for their competitive students in WebGrants.

- Institutions are advised to customize their WebGrants roster to identify unpaid awarded students. There are several campuses with newly awarded competitive students with no transactions posted in WebGrants.

- There are about 700 payable new 2018-19 competitive awards remaining, and all payments must be posted by the **September 5, 2019** year-end reconciliation deadline.

2019-20 Cal Grant Ineligible Students

- Institutions are reminded to submit Grant Record Change forms (G-21) for any students who are ineligible due to incorrect housing status or financial information.
