As you research different college options, remember that **the published cost of college is not necessarily the cost for you**, because of financial aid.

Based on the information you listed on your FAFSA, we estimate that you could be eligible for as much as \$[max amount X] in financial aid that would reduce your costs and does not need to be paid back. The back of this letter has estimates of the aid you would receive at the colleges you listed if you attend full time. You can learn more about your financial aid options at www.csac.ca.gov/price.

Good luck with your applications! You are already on your way to becoming a college graduate!
