However, once a school has provided a valid value in this field, and the transaction has been processed in the WebGrants database, then CSAC will continue to report the current value in this field in each subsequent downloadable MCS Payment-Roster File. If the school provides a value of 3, or 4 in this field, then a value of “C” must also be submitted in field 42, (Transaction Type) of this file. If not, then the record will be rejected. If the school provides a value of 1, 2, 5, or 7 in this field, then a value of “P” must also be submitted in field 42, (Transaction Type) of this file. If not, then the record will be rejected. If the school submits a value of 1, 2, or 7 (Post Bacc., SAP or Other) then the school must also submit a value of zero in field 21, (Fall MCS Award Payment) indicating that the student should not be paid for the Fall term, but should remain on their roster.

This will result in the term award amount reducing to zero. All other aid and the Tuition/Fee-Cost of Attendance amounts related to that term will remain untouched.
