STUDENT AID
COMMISSION

Legislative Report Requirement

California Education Code Section 69437.7, and
Section 8 of Senate Bill 1644 (Chapter 403, Statutes of 2000)

COMMISSION MEMBERS

Catalina Cifuentes (Chair)

California Secondary Schools Representative
Governor Appointee

Debra Maxie (Secretary)

General Public Representative
Senate Rules Appointee

David O'Brien

California Community College Representative
Governor Appointee

Shannon Gary

Independent California Colleges and
Universities Representative
Governor Appointee

Angel Rodriguez

Public, Proprietary, Non-Profit Representative
Governor Appointee

Juanita Doplemore

General Public Representative
Speaker of Assembly Appointee

Guillermo Mayer

General Public Representative
Speaker of Assembly Appointee

Hal Geiogque

General Public Representative
Governor Appointee

Vacant

Student Representative
Governor Appointee

Charles T. Nies (Vice Chair)

University of California Representative
Governor Appointee

Patrick Day

California State University Representative
Governor Appointee

Alexis Takagi

Student Representative
Governor Appointee

David Valladolid

General Public Representative
Senate Rules Appointee

Audrey Dow

General Public Representative
Governor Appointee

Vacant

General Public Representative
Governor Appointee

INTRODUCTION

Section 8 of Senate Bill 1644 (Chapter 403, Statutes of 2000) requires that the California Student Aid Commission (Commission) annually report to the Legislature and Governor on the number of Cal Grant applicants and new and continuing recipients each year. The data shall include at a minimum the following recipient information: educational level, grade point average, and segment of attendance.

The Commission is the state's principal provider of intersegmental statewide grant aid to postsecondary students. Founded in 1955 as the California State Scholarship Commission, the Commission's primary programmatic responsibilities include administration of the Cal Grant Program, the Middle Class Scholarship, the Chafee Grant Program for foster youth and several targeted state scholarship and loan assumption programs. The Commission administers financial aid awareness and outreach programs, such as the California Student Opportunity and Access Program (Cal-SOAP) and Cash for College, in collaboration with business, private industry, and community-based organizations.

The Commission consists of 15 appointed members. Eleven members are appointed by the Governor and represent segments of the State's higher education community, postsecondary education students, and the general public. In addition, the Speaker of the Assembly and the Senate Rules Committee each appoint two Commission members as representatives of the general public.

The Commission also exercises policy leadership on student financial aid issues, evaluates the effectiveness of its programs, conducts research and long-range planning as a foundation for program improvement, reports on total state financial aid needs, and disseminates information to students and their families.

In its policy decision-making, the Commission receives advice and recommendations from its staff, the postsecondary education segments, relevant state agencies, representatives of secondary schools, student groups, and various levels of government.

BACKGROUND

On September 11, 2000, Senate Bill 1644 (Chapter 403, Statutes of 2000), also known as the Ortiz-Pacheco-Poochigian-Vasconcellos Cal Grant Program, was signed into law. This historic bill changed the Cal Grant Program, which previously consisted of Cal Grant A awards, Cal Grant B awards, Cal Grant C awards, and Cal Grant T awards. The Cal Grant Program currently consists of the following components: High School Entitlement Cal Grant A and B awards, California Community College Transfer Entitlement Cal Grant A and B awards, Competitive Cal Grant A and B awards, and the existing Cal Grant C awards.

The Ortiz-Pacheco-Poochigian-Vasconcellos Cal Grant Act implemented the state's commitment to provide educational opportunity by ensuring both student access to and selection of an institution of higher education for students with financial need. This commitment to both access and choice remains unchanged. The portability of the

Cal Grant supports the State's commitment to access and choice for California's most disadvantaged students. It provides a way to choose an institution best suited to the student, not just what the student initially might think they can afford. As a result, Cal Grant awards are offered to students attending all segments of Cal Grant eligible postsecondary institutions: the California Community Colleges, the University of California, the California State University, as well as a large variety of non-profit and for-profit institutions.

Schools or postsecondary institutions seeking to participate in the Cal Grant Program must meet various statutory eligibility requirements, including a federal student loan three-year Cohort Default Rate threshold and a graduation rate threshold.

Cal Grant A awards provide for full mandatory systemwide tuition and fees at the California State University and the University of California, as well as tuition support at eligible independent California colleges and universities and private career colleges to qualified low- and middle-income students. Cal Grant B awards provide funds to qualified low-income disadvantaged students. For first-year students, Cal Grant B awards provide up to \$1,648 for books and living expenses in 2022-23. Beginning with the student's second year of attendance, the Cal Grant B award also helps pay for tuition and fees at eligible Cal Grant schools at the same level as the Cal Grant A award.

The 2022-23 maximum annual Cal Grant A and B tuition and fees are:

- \$5,742 at the California State University for new and renewal offered awardees
- \$13,104 at the University of California with the first year of the UC cohort tuition model
- \$9,220 at eligible independent California colleges and universities, and other public institutions for new offered awardees
- \$8,056 at private career colleges accredited by the Western Association of Schools and Colleges (WASC) as of July 1, 2012
- \$4,000 at private career colleges not accredited by WASC as of July 1, 2012 for new and renewal offered awardees

The 2022-23 maximum annual Cal Grant C award amounts for new and renewal offered awardees are:

- \$1094 for training-related costs, such as books, tools and equipment, for California Community College students
- \$547 for training-related costs, such as books, tools and equipment, for students in other segments

APPLICATION PROCESS

Applicants must meet multiple criteria to qualify. Submitting both the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application and the Cal Grant Grade Point Average (GPA) Verification Form by the statutory deadlines is the first step for students to be considered for a Cal Grant award. Of the 1,005,114 students who were successful in completing this first step in the 2022-23 award year, 618,993, or 62 percent, did not meet the financial and basic eligibility criteria. The basic eligibility criteria that students failed to meet include not being a California resident, not listing a California college or university seeking to participate in the Cal Grant Program on the application, and having already graduated with a bachelor's degree.

In addition to meeting financial and basic eligibility criteria, there are academic and other requirements specific to each component as indicated below.

NEW HIGH SCHOOL ENTITLEMENT CAL GRANT A AND B AWARDS

The 2022-23 new High School Entitlement Cal Grant A and B awards were guaranteed to applicants who graduated from high school in 2020-21 or 2021-22 and satisfied the application and GPA deadlines and met the financial and basic eligibility criteria. The High School Entitlement Cal Grant A and B awards required a minimum 3.0 and 2.0 GPA, respectively.

Beginning with the 2008-09 award year, new High School Entitlement Cal Grant offered awardees were required to provide confirmation of high school graduation prior to the Commission disbursing any Cal Grant funds.

NEW CALIFORNIA COMMUNITY COLLEGE TRANSFER ENTITLEMENT CAL GRANT A AND B AWARDS

The 2022-23 California Community College Transfer Entitlement (Transfer Entitlement) Cal Grant A and B awards were guaranteed to every applicant who satisfied the application and GPA deadlines and met the financial and basic eligibility criteria, graduated from a California high school or its equivalent after June 30, 2001, was a California resident at the time of high school graduation, transferred to a qualifying baccalaureate-degree granting institution from a California Community College during the award year, was under the age of 28 at the time of the transfer, and had a minimum California Community College GPA of 2.4.

Beginning with the 2006-07 award year, new Transfer Entitlement Cal Grant offered awardees were required to provide confirmation of meeting the above eligibility requirements prior to the Commission disbursing any Cal Grant funds. Also, 10 percent of the new and renewal awards were randomly selected for campus-level verification that the offered awardee met the eligibility requirements prior to the Commission disbursing any Cal Grant funds.

NEW CALIFORNIA COMMUNITY COLLEGE ENTITLEMENT CAL GRANT A AND B AWARDS

Starting in the 2021-22 academic year, the Cal Grant Community College Entitlement Award is for students attending a California Community College (CCC). Applicants must submit a FAFSA or CA Dream Act Application, plus a verified Cal Grant GPA to the California Student Aid Commission by September 2.

NEW COMPETITIVE CAL GRANT A AND B AWARDS

The 2022-23 Competitive Cal Grant A and B awards were available to California applicants who satisfied the application and GPA deadlines and met the financial and basic eligibility criteria, but did not receive a new High School or Transfer Entitlement Cal Grant award. The Competitive Cal Grant A awards required a minimum 3.0 high school GPA or a minimum 2.4 college GPA. The Competitive Cal Grant B awards required a minimum 2.0 high school or college GPA. Qualifying applicants competed for the 13,000 Competitive Cal Grant A and B awards. Fifty percent of these awards were available to all applicants who met the eligibility criteria and applied by the March 2nd application deadline. The remaining fifty percent were reserved for applicants who enrolled at a California Community College and applied by the September 2nd application deadline.

NEW CAL GRANT C AWARDS

The 2022-23 new Cal Grant C awards were available to low- and middle-income applicants receiving occupational or technical training in a course that was at least four months long. Qualifying applicants who completed and returned a Cal Grant C Supplement competed for Cal Grant C awards.

RENEWAL OF CAL GRANT AWARDS

In addition to meeting various statutory eligibility requirements in order to continue in the Cal Grant Program, renewing Cal Grant recipients had to meet Income and Asset Ceilings and minimum need criteria to satisfy the financial need requirement beginning in 2011-12. In order to renew for the 2021-22 award year, renewing Cal Grant recipients had to meet different Income and Asset Ceilings than new Cal Grant applicants.

ELIGIBLE APPLICANTS AND OFFERED AWARDEES

In the 2022-23 award year, of the 1,005,144 students who satisfied the application and GPA deadlines, 386,121, or 38 percent, qualified for a Cal Grant award. Of the 386,121, qualified applicants, 312,962 were offered a new Cal Grant award.

This report as well as other reports produced by the Commission can be viewed on the Commission's Website at www.csac.ca.gov.

TABLES

The following tables summarize the 2022-23 new and renewal Cal Grant offered awardees by the type of financial aid application filed. These statistics do not reflect the actual number of Cal Grant paid recipients, or those who ultimately used their Cal Grant (received payment) to attend college.

ACRONYMS

These acronyms are used in the following tables:

CCC	California Community Colleges
CSU	California State University
ICU	Non-Profit Private Colleges and Universities
PCC-W	For-Profit Private Career Colleges accredited by the Western Association of Schools and Colleges as of July 1, 2012
PCC-NW	For-Profit Private Career Colleges not accredited by the Western Association of Schools and Colleges as of July 1, 2012
Public - Other	Public institutions other than CCC, CSU, or UC
UC	University of California

NOTES

- TABLE 3A and TABLE 3B** Although new September Competitive Cal Grant awards are offered to students enrolled at a California Community College meeting the September 2nd deadline, the data reflects offered awardees who subsequently transfer from the community colleges to tuition-charging institutions.
- TABLE 5** Cal Grant C applicants are not required to submit a GPA.
- TABLE 6** The educational level is the self-reported grade level the student indicates on the Free Application for Federal Student Aid or the California Dream Act Application.
