More Information

If you are or were in foster care for at least one day between the ages of 16 and 17 as a dependent or ward of the court and have financial need, you may qualify for up to $5,900 a year for career and technical training or college. You don’t have to pay this money back. You may also be able to use your grant to help pay for child care, transportation and rent while you’re in school. You can use your Chafee Grant at any eligible California college or university or career or technical school, as well as schools in other states.

AY 2019 Students with Dependent Children: 48,107
Golden State Teacher Grant Program

- The Golden State Teacher Grant Program encourages students to consider earning a teaching credential and teach in a high-need field
- The California Student Aid Commission will award $20,000 Golden State Teacher Grants to over 4,400 eligible students across California
- Applicants must agree to all terms and conditions of the GSTG program or be required to repay the grant, including committing to teach in a “high-need field” at a “priority school” for four years, within five years after graduation from the teacher preparation program

For more information contact the Golden State teacher Grant Program at: goldenstateteachers@csac.ca.gov or www.csac.ca.gov/goldenstateteachers
Cal Grant Reform

Items being considered

• Consolidate Cal Grant A, B, and C awards of the Cal Grant Program and the Middle Class Scholarship Program into one program
• Remove or reduce grade point average, high school completion, and similar eligibility and access barriers in the current Cal Grant Program
• Change the model of the Cal Grant Program to focus on the total cost of attendance, including maintaining full coverage of tuition and systemwide fees for public college and university students
• Reinstate a formula for an annual adjustment to the maximum Cal Grant award for students who attend private nonprofit institutions
• Support additional Cal Grant eligibility for students taking summer coursework

CSAC is planning on sharing work-group recommendations sometime around March 2020

Many items/changes are currently being discussed

There is NO NEW passed legislation at this point
SB 150 Chafee Grant Satisfactory Academic Progress relaxation

• Relaxes Satisfactory Academic Progress (SAP) requirements for students receiving a Chafee Grant, requiring these students to receive extended academic counseling before their aid is withdrawn

• The goal of SB 150 is to increase the rate of college retention and completion among current and former foster youth in California by improving access to the Chafee Education and Training Voucher

• In California, foster youth are 29% less likely than non foster youth to persist at least one year in Community College

Middle Class Scholarship User Guide

• We are producing a comprehensive Middle Class Scholarship User Guide

• A communication from CSAC will go out when this user guide is completed and available
