Beginning with the 2022-23 academic year, the program is limited to 1,667 participants annually. Students must meet the criteria for an eligible student, attend a qualifying institution, and perform the required service hours with a qualifying organization.

Potentially eligible students will be notified by CSAC when the application period opens.

3. How much can students receive?

Beginning with the 2022-23 academic year, the California Student Aid Commission (CSAC) will award up to \$4,500 per academic year (up to \$2,250 per semester or up to \$1,500 per quarter).

4. What do students need to do to receive the award?

The California Dream Act Service Incentive Grant Program (DSIG) encourages California Dream Act Application (CADAA) students with a Cal Grant A with Cal Grant B eligibility or B award to perform community or volunteer service. Students shall perform at least 150 hours per semester or 100 hours per quarter of community or volunteer service.

5. Where can students perform service hours?

Students can volunteer with any of the organization(s) on the List of Service Organizations or any organization not on the list if it meets the criteria for a qualifying community or volunteer service organization. On-campus community or volunteer service organizations affiliated with a Cal Grant eligible school, such as outreach, student services, and multi-cultural organizations are deemed eligible.

6. What volunteer activities are permissible under the requirement that “The community or volunteer service performed by the participating student is not advocacy of a political, social, or religious nature?”

A student cannot volunteer for an organization that engages *exclusively* in political, social, or religious advocacy. Therefore, participating students can only work on tasks that are unrelated to advocacy efforts for organizations that have a mix of advocacy and non-advocacy programs.

We (CSAC) will validate this requirement by reviewing all of the activities listed on the Service Hour Tracker that the accepted student submits with their Payment Requests and verify that the activities were not directly tied to any political, social, or religious advocacy, as described in the paragraph above.

We encourage you to contact dsig@csac.ca.gov if you still have questions about this requirement.
