CSAC Policies for Deferments

- Cal Grant recipients are eligible to apply for a military, *Peace Corps* or *VISTA* deferment whether or not they have actually enrolled in classes before entering their service obligation.
- The Commission may request verification of recipient's service obligation dates prior to approval.
- Deferments may not exceed three years. Extensions may be granted with appropriate documentation as verification.
- A recipient who is granted a deferment is responsible for contacting the Commission concerning reactivation of the Cal Grant award. The Commission must be contacted *within one year following return to civilian status* for the grant to be reactivated. All financial need requirements must be met before the award will be reactivated.
