TO: Financial Aid Administrators

FROM: Catalina G. Mistler 
Chief, Program Administration & Services Division

SUBJECT: **2015-16 College Cost Estimate Reminder**

This Operations Memo from the California Student Aid Commission (Commission) reminds financial aid administrators to submit their school's 2015-16 College Cost Estimate (CCE). Refer to [GOM 2014-39](#) released on December 12, 2014, for details on using WebGrants to submit the cost estimates.

- The deadline to submit 2015-16 College Cost Estimate information is **Friday, January 23, 2015**. The Commission anticipates processing new 2015-16 Entitlement Cal Grant awards in February 2015.
- The Commission uses college cost information to determine the financial need and award amounts for Cal Grant applicants. If the updated CCE information is not received by the deadline, the Commission will use the prior year reported figures which are outdated and could disadvantage some students in the determination of their financial need at your school.
- If mailing the paper College Cost Estimate form, it must be received by the Commission no later than January 23, 2015. Mail the form to:
