SUBJECT: **Student Expense Budgets / Income and Asset Ceilings**

This Operations Memo from the California Student Aid Commission (Commission) announces the release of the 2016-17 [Student Expense Budgets](#) and [Income and Asset Ceilings](#).

- The statewide sample Student Expense Budgets are adjusted annually for inflation or deflation using the California Consumer Price Indices. The 2016-17 budgets include standardized allowances for food, housing, books and supplies, transportation, and personal/miscellaneous expenses for a nine-month academic year.
- Actual campus budget information provided by the institution on WebGrants or on a College Cost Estimate form will be used when awarding Cal Grants.
- The 2016-17 Cal Grant Income and Asset Ceilings, which will be used for Cal Grant award selection, were calculated using the California Department of Finance's prescribed methodology. Please be aware that California Education Code section 69432.7(k) prescribes that ceilings used for students renewing a Cal Grant award be the higher of:
 1. the new ceilings for the year or
 2. the ceilings in place when the participant entered the program
- The income and asset ceilings for new applicants and renewal recipients will be the same for the 2016-17 academic year.

The Student Expense Budgets and Income and Asset Ceilings can also be accessed at www.csac.ca.gov on the "COLLEGES" tab menu, under the "Resources" section.
