SUBJECT: CA Chafee Foster Youth Grant Program Website Enhancements

This Operations Memo from the California Student Aid Commission (Commission) announces the launch of the newly redesigned California Chafee Foster Youth Grant Program (Chafee) website.

The new [Chafee website](#) provides an improved online experience for anyone looking for information on the Chafee program through various desktop and mobile platforms. Chafee content is streamlined into five main sections:

1. What is Chafee?
2. Chafee Eligibility
3. Application Process
4. Awarding Process
5. More Information (provides students with additional resources)

The Chafee website enables students to quickly find the resources necessary to apply for aid and manage their WebGrants for Students account. Other website enhancements include:

- Streamlined Content: Searching for information is easier and provides users with an effortless transition when switching between Commission related websites.
- Mobile-Friendly: Mobile users will experience ease of navigation and quick-loading screens.

In addition to the website enhancements, the [Chafee Grant Program Update and Change Form](#) was restructured and is now available online in a fillable format at www.chafee.csac.ca.gov.
