

SPECIAL ALERT

Update from the California Student Aid Commission

December 16, 2015

GSA 2015-56

TO: Financial Aid Administrators

FROM: Catalina G. Mistler 
Chief, Program Administration & Services Division

SUBJECT: Senate Bill 70 – Data Reporting Requirements – Due March 31, 2016

This Special Alert from the California Student Aid Commission (Commission) announces that the Institutional Data Reporting application in WebGrants will open to accept the 2014-15 file uploads on December 21, 2015. All data is due to the Commission by **March 31, 2016**.

California Education Code (CEC) section 69433.2 requires Cal Grant participating institutions to annually report to the Commission the following data for their undergraduate programs:

- a) Enrollment, persistence, and graduation data for all students, including aggregate information on Cal Grant recipients.
- b) The job placement rate and salary and wage information for students in programs that are either designed or advertised to lead to a particular type of job, or advertised or promoted with any claim regarding job placement.

Submission of Job Placement Rate and Salary and Wage Reporting include:

- a) The job placement rate and salary and wage information reporting methodology established by Article 16 (commencing with section 94928) of Chapter 8 of Part 59 of Division 10 of Title 3 of the Education Code.
 - This method is currently used by institutions required to develop a "Performance Fact Sheet" by the Bureau of Private Postsecondary Education (BPPE).
- b) The College Wage Tracker Methodology established by the California Community Colleges calculates median wage three years after the award. This methodology is based upon an eight year cohort of students who received a certificate or associate's degree from the program.

California Community Colleges

- California Community Colleges (CCC) will not be required to submit any additional information as the Commission will be providing a link to the currently available CCC "Salary Surfer."

BPPE Institutions

- An Institution that falls under BPPE jurisdiction may submit its “Performance Fact Sheet” to the Commission to meet the reporting requirement for Job Placement Rate and Salary and Wage information.

Non-BBPE Institutions

- Non-BPPE institutions may choose either methodology, providing data similar to the College Wage Tracker or a “Performance Fact Sheet” utilizing the BPPE methodology.
 - Performance Fact Sheets may be submitted to the Commission via email at csacipa@csac.ca.gov. More information on calculating a “Performance Fact Sheet” may be found at <http://www.bppe.ca.gov/schools/pfs.shtml>.
- The Commission will be hosting a SB 70 training webinar on **January 12, 2016** at 10 AM. To register for this training, visit the Commission’s [Adobe Training Website](#). This recorded webinar will become available through the Commission’s Training Page shortly after the live webinar.
- More information on SB 70 reporting requirements may be found through a recorded, on-demand mini-training module available on the Commission’s [Training Page](#).
