SUBJECT: **2018-19 Unpaid Competitive Cal Grant Award Status**

This Special Alert from the California Student Aid Commission (Commission) provides an update on the 2018-19 Competitive Cal Grant Program awards.

- The Commission processed school changes on November 9 and placed students on 2018-19 rosters, as identified on the fall 2018 Community College enrollment files.
- To date, 14,665 Competitive awardees of the 25,750 have been paid for the 2018-19 academic year, a 57.0% paid rate.
- In order to reach a 100% paid rate, new competitive awards will be offered to the next cohort of eligible applicants. If you have eligible unpaid competitive students on your roster, please make it a priority to post a payment or corresponding transaction code as soon as possible and no later than December 7, 2018.
- Unpaid competitive awardees will be notified via email that their awards will be withdrawn if eligible transaction codes are not posted by **December 7, 2018**.
- Institutions are advised to customize their WebGrants roster to identify unpaid awarded students.
- The Roster/Reconciliation User Guide provides step-by-step instruction on customizing your roster. The User Guide is available for download on the WebGrants *Help* link:

The Commission will continue to monitor the paid rate to ensure that payments do not exceed the 25,750 Competitive awards available for this academic year.

Thank you in advance for your willingness to partner with us in this effort to better serve our Cal Grant recipients.
