SUBJECT: 2018-19 Cal Grant Spring Term Advance - Update

This Special Alert from the California Student Aid Commission (Commission) provides an update on the 2018-19 Cal Grant spring term advance for quarter schools.

- The 2018-19 spring term advance will be processed using a 50 percent factor of the previous year’s reconciled amount.

- As previously announced in GSA 2019-03, the Commission evaluates the percentage to be advanced for the spring term by taking into consideration undisbursed funds from the fall advance and the State’s cash management needs.

- The California State Controller’s Office and the State Treasurer’s Office notified the Commission that funds will be electronically delivered to campuses on Monday, March 18, 2019.

- Campuses are encouraged to continue reconciling their WebGrants payment rosters to keep their Cal Grant accounts up to date.

- The Commission will monitor Cal Grant payment rosters to ensure funds are disbursed to students in a timely manner.
