---

This Special Alert from the California Student Aid Commission (Commission) announces the availability of live Cal Grant Regional Training webinars for college financial aid administrators.

- As previously communicated, the Commission has transitioned all in-person trainings to a virtual format for the remainder of 2020. The virtual Cal Grant Regional Trainings will be divided into three live webinar sessions of 2-3 hours.
- In addition to the live webinar sessions, the Commission is now offering recorded Cal Grant Regional Training videos, recorded supplemental videos, PDF versions of the PowerPoints, and additional resources.
- Cal Grant Regional Trainings are geared towards newer financial aid administrators who need additional Cal Grant instruction and help to better navigate the WebGrants system; as well as experienced college financial aid administrators who want a Cal Grant refresher course and any recent updates.
- College financial aid administrators can sign up for live webinars and/or access recorded videos, PowerPoints, supplemental videos, and resources for the Cal Grant Regional Trainings on our [web page](#).
- Interested participants in the live Cal Grant Regional Training webinars are encouraged to sign up for the dates that are convenient to their schedules. The sessions do not need to be attended in order.

We look forward to a successful 2020 virtual Cal Grant Regional Training season.
