Update from the California Student Aid Commission

October 27, 2020

GSA 2020-42

TO: Financial Aid Administrators

FROM: Catalina G. Mistler 
Chief Deputy Director, Program Administration & Services Division

SUBJECT: **Data Reporting Requirements (Senate Bill 70)**

This Special Alert from the California Student Aid Commission (Commission) announces that the Data Reporting application in WebGrants is now open. The California Code of Regulations ([5 CCR §30040](#)) requires that 2019-20 enrollment, persistence and graduation data be submitted to the Commission by **December 31, 2020**.

The Cal Grant Program Institutional Participation Agreement [Article II Section K](#) and the California Education Code section [69433.2](#) require Cal Grant participating institutions to annually report to the Commission the following data for their undergraduate programs:

- Enrollment, persistence, and graduation data for all students, including aggregate information on Cal Grant recipients.
- Job placement rate, salary and wage information for each program that is either designed or advertised to lead to a particular type of job, or advertised or promoted with any claim regarding job placement.
- Institutions should continue to use the 2010 version of Classification of Instructional Programs (CIP) codes for their data reporting to the Commission.

SB 70 data reporting is a component of the Cal Grant audit process. Please review the requirements and contact us if you have questions.

Submission for enrollment, persistence, and graduation:

- The file import specifications may be found on the Commission's [Data Reporting \(SB 70\) web page](#).

Submission for job placement and salary and wage information:

- School Performance Fact Sheet or College Wage Tracker data may be submitted via email to csacipa@csac.ca.gov ([5 CCR § 30042.5](#))
