SUBJECT: **2022-23 Cal Grant Fall Term Advance**

This Special Alert from the California Student Aid Commission (Commission) announces the scheduled release of the 2022-23 Cal Grant fall term advance and opening of the rosters.

- The 2022-23 fall term advance is set at 95 percent and is based on the 2021-22 reconciled fall term amount.
- The Commission will evaluate the percentage to be advanced for the winter and spring terms, taking into consideration undisbursed funds from the fall advance and the State's cash management needs.
- Per the Electronic Funds Transfer (EFT) schedule with the California State Controller's Office and the State Treasurer's Office, Cal Grant fall advance funds will be electronically submitted to campuses beginning **Tuesday, August 23, 2022**, and schools will have access to the Cal Grant rosters through WebGrants.
- Campuses are encouraged to reconcile their WebGrants payment rosters to ensure funds are disbursed timely to students.

We appreciate your support in processing Cal Grant payments to students.
